**- PATHWAYS TO CANADA™ -**

**INTRODUCTORY**

**FACTFINDER**

## **Our Fee Structure & Becoming a Transition Financial Advisors Group Client**

Our planning fees are typically based on a sliding scale of your net worth and start at US\$10,500. This approach falls in line with our comprehensive Canada-US financial planning philosophy because our firm looks at everything related to your situation. You can take comfort in the fact that our fee is made known up front and put into an agreement that both you and we sign. The fee is then fixed until the engagement is fulfilled, giving you peace of mind that there are no hidden fees or expenses to surprise you later.

In our experience, the people that meet the following criteria generally benefit the most from our services:

- ✓ Comfortable using the Internet and email;
- ✓ Desire a close, long-term working relationship on a retainer basis versus a transaction on an hourly, tax or project basis;
- ✓ Ideally have a lead time of three to four months before a move to Canada is scheduled (longer with business entities);
- ✓ Willing & able to expediently implement the plan (with our assistance) once completed;
- ✓ Believe in our comprehensive Canada-US planning approach & willing to follow our proven process;
- ✓ Willing to delegate financial matters & have done so in the past;
- ✓ Make friends easily & willing to share of themselves, expecting the same in return;
- ✓ Net worth of \$2 million or more

If this generally describes you, please complete this FactFinder & fax (more secure than email) it to our offices for a no-obligation review of your situation and the opportunities and obstacles your unique financial situation presents. The partners of the firm will review your FactFinder and develop a fee estimate before contacting you to schedule a discussion of our services.
